

# ARE YOU COVERED?

Protecting your home, vehicle and health is a top priority - which explains why so many people choose insurance to help protect them from life's unexpected events!

Although our homes and vehicles only need one policy to be considered fully covered, most people have unknowingly protected only a portion of their potential health needs. Are you as covered as you think?

## ODDS OF HAVING A HOUSE FIRE

≈0.3% of households will Experience a house fire

**3 people**

Out of 1,000 people

## ODDS OF HAVING A CAR ACCIDENT

≈3% of people will encounter a car accident

**25 people**

Out of 1,000 people

## ODDS OF NEEDING LONG-TERM CARE

69% of people will need Long-term care<sup>1</sup>

**690 people**

Out of 1,000 people

Medicare and most health insurance plans do not pay for non-skilled assistance with Activities of Daily Living (ADL), which make up majority of long-term care services<sup>2</sup>

## BUT THERE ARE COVERAGE OPTIONS AVAILABLE
