

# Navigating the Home Page

1. The Home Page displays once you access the refreshed Producers' University. At the top of this page you'll see a hamburger menu at the left, the search field at the right and a drop down next to your name (profile, help and log out) at the right. Use the hamburger menu to access different areas of Producers' University.

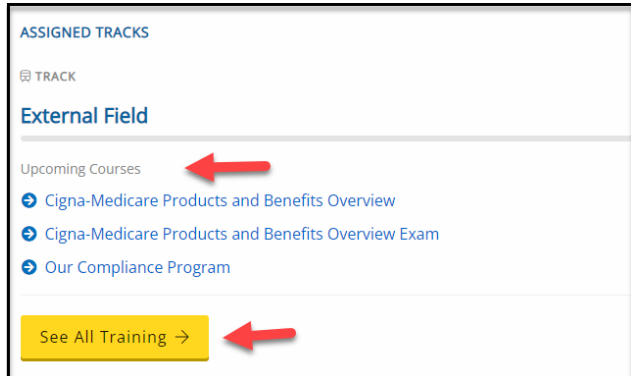

2. In the middle of the page there are tiles that you can click to take open different areas of Producers' University (you can also access these via the hamburger menu at the top left of the page).

Tile Name	Content
My Learning	Courses you are required to complete (e.g., Certification courses) plus any elective courses you've selected.
Course Catalog (Electives)	A list of elective eLearning courses which you can complete, if desired.
Instructor-Led (Events)	You can search for and register for training events led by instructors. Upcoming events you've registered for will display on your Home Page (up to 3 events will display).
Resource Center	Resources include plan information, job aids and Webex training recordings.
My Transcript	A list of your required and elective courses, along with their status (Complete, Not Complete).

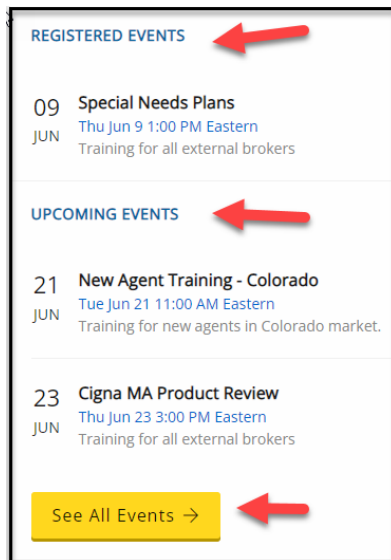

- Underneath the row of tiles you'll find the learning track that has been assigned to you. There will be up to 3 upcoming courses displayed (e.g., certification courses). Click [See All Training](#) to see all the courses on your My Learning page.

- The section to the right of the learning track shows instructor-led events that you've signed up for, as well as other upcoming events. A total of 3 events (registered and upcoming) will display. Click [See All Events](#) to see more.

Upcoming Events – click to review the details and register.

Registered Events – click to review the details of the events, as well as unregister.

5. The “What’s New” section will highlight certain content in Producers’ University.
